3. Abstract should include:
 - a. Project Title
 - b. Participant's Name
 - c. Institution/ Organisation / School / Country
 - d. Email
 - e. Introduction / Summary of the project
 - f. Conclusion
 - g. Keywords

Example:

TITLE
Participant¹, Participant²
Institution or school or Organisation & Country

Abstract

Introduction
Summary of the project
Conclusion

Keywords : Word1, Word2, Word3

Guide for Exhibition Competition (Poster & Prototype)

1. Please post your poster & prototype by 09.00 am on July 10th according to your assigned number for your presentation at the booths provided.
2. Please stand in front of your poster & exhibition at 09.00 am on July 10th.
3. The juries will inspect your posters and prototype.
4. Be prepared for any Q & A by the juries.
5. You will be provided with 1 Tripod Poster Stand and 1 Banquet Table.

**** Student who doesn't bring along his product or prototype must have his/hers posters. ** All exhibits must comply with airline regulations, the customs of both countries, and both national legislation***

Suggested guideline for preparing Standard Scientific Poster

1. Prepare your poster and print it to the size **A1 (594mm x 841mm)** portrait in advance.
2. The contents:
 - 2.1 Title - with author names underneath, followed by names of associated institutions
 - 2.2 Abstract - briefly summarize your search results
 - 2.3 Introduction - provide brief background for your research
 - 2.4 Materials and Methods or Experiments - describe materials, equipment and your experimental process which led to your results
 - 2.5 Results and Discussion - describe the results of your experiment and to explain your results with a short but solid justification of your hypothesis
 - 2.6 Conclusions - provide the reader with a conclusion of your results
 - 2.7 References or Literature Cited - list all relevant literature you have used in your project
 - 2.8 Acknowledgements - thank any person(s) who have helped with your project
 - 2.9 Contact Information - provide your contact information

Suggested guideline for preparing Exhibition (Prototype or Final Product)

1. Each group / project will be given a table size 120cm x 45cm.
2. Power point (plug) will be given upon request by the participants.

The Tripod Poster Stand

The Banquet Table (120cm x 45 cm)

G. Prize & Award
