 - b. Participant's Name
 - c. Institution/ Organisation / School / Country
 - d. Email
 - e. Introduction / Summary of the project
 - f. Conclusion
 - g. Keywords

Example:

TITLE
Participant¹, Participant²
Institution or school or Organisation & Country

Abstract

Introduction
Summary of the project
Conclusion

Keywords: Word1, Word2, Word3

Guide for Exhibition Competition (Poster & Prototype)

1. Please post your poster & prototype by 09.00 am on July 9th according to your assigned number for your presentation at the booths provided.
2. Please stand in front of your poster & exhibition at 09.00 am on July 9th.
3. The juries will inspect your posters and prototype.
4. Be prepared for any Q & A by the juries.
5. Each group / project will be given a table size 120cm x 45cm.
6. Power point (plug) will be given upon request by the participants.

**** Student who doesn't bring along his product or prototype must have his/hers posters.***

***** All exhibits must comply with airline regulations, the customs of both countries, and both national legislation***

Guide for Oral Presentation (Slide Presentation)

1. Please post your power point file (.ppt) 09.00 am on July 9th according to your assigned Conference Room.
2. The presentation will start at 09.00 am on July 9th.
3. Each student is given 10 minutes to present about their projects / researches.
4. Be prepared for any Q & A by the juries.

Suggested guideline for preparing Standard Scientific Poster

1. Prepare your poster and print it to the size **A1 (594mm x 841mm)** portrait in advance.
2. The contents:
 - 2.1 Title - with author names underneath, followed by names of associated institutions
 - 2.2 Abstract - briefly summarize your search results
 - 2.3 Introduction - provide brief background for your research
 - 2.4 Materials and Methods or Experiments - describe materials, equipment and your experimental process which led to your results
 - 2.5 Results and Discussion - describe the results of your experiment and to explain your results with a short but solid justification of your hypothesis
 - 2.6 Conclusions - provide the reader with a conclusion of your results
 - 2.7 References or Literature Cited - list all relevant literature you have used in your project
 - 2.8 Acknowledgements - thank any person(s) who have helped with your project
 - 2.9 Contact Information - provide your contact information

The Banquet Table (120cm x 45 cm)
